

Sivo Valkyrie

Valkyries were Odin's handmaidens, choosers of the slain. Only one Valkyrie stands above them all. Sivo Valkyrie.

Sharing many parallels to gin, this aquavit is comprised of only the finest and carefully selected botanicals united in perfect harmony.

With its unique character Sivo Valkyrie possesses alluring aromas of coriander, caraway, and fennel, with a delicate hint of sweet fruits.

Producer: Maison Sivo

Country: Canada

Region: Quebec
