

# Sivo Le Rye

Le Rye's maturation reveals the grain's complex aromas, while putting forth its fruity perfumes, spice and pepper notes, and a subtle woody accent.

**Producer:** Maison Sivo

**Country:** Canada

**Region:** Québec

**Alcohol content:** 42%

**Format:** 750 ml

**Accolades:** Winner of Great Canadian Whisky Tasting 2018 by Toronto Whisky Society

## Distillation

Le Rye Sivo is distilled from local Quebec rye (2/3) and malted barley (1/3). Following numerous tests and trials, we find this grain bill gives a balanced result, while permitting to withhold the use of enzymes. Grains are milled fresh at the distillery before use, and Champagne yeast is applied for fermentation. The resulting mash is microdistilled in an Aroma type still made by the German firm Müller Brenneranlagen. A minimum filtration at 4°C is applied before bottling.

Le Rye is matured in new European medium and high toast oak barrels of 225 L, then finished in Port barrels. No color is added to this product

## Tasting Notes

*Nose:* Caramel, light banana, yeasty, bready, light vegetal, some fruit; *Palate:* Button mushroom, caramel, rye spice, oak, some light fruit, banana, baking spices, rye, malty and vegetal, papaya, apple. *Finish:* Cinnamon, oak, apple.

## To serve

Drink Le Rye Sivo neat at ambient temperature or on ice.
