Maison Sivo's Liquorist Series offers a spectrum of varied flavors. There is something for every taste. Designed in a spirit of craftsmanship, these liquors are prepared with care and respect for the ingredients that compose it.

Pêche from the Liquoriste series is the fruit of peaches macerating in alcohol. It's a craft version of the well-known peach schnapps. Its flavors are pure peach: sweet, fresh and juicy. Perfect as a digestif or in a fruity cocktail.
